COMPANY PROFILE

Arthur L. Brunette & Associés Inc. has been strongly implemented for many years in the importing and exporting community. Our expertise, professionalism and pro-activeness of our Consultants are key factors in our success and guaranty a superior level of service.

Whether your questions are for Customs reasons or for Logistical purposes, we assure you that our services will be beneficial to your company. Substantial savings are possible by reducing delays, risks and penalties related to non-compliance.

CUSTOMS BROKERAGE

Personalized service and quick efficient release is what we do.

Today's government organizations demand compliance and responsibility. We offer, experience, expertise, devotion, innovations and technology to our clients. We are conscious that your needs far exceed simple importations. Our Associates use the latest technologies in order to provide the most accurate information to better serve you and be compliant with Customs.

EXPORT SERVICES

Arthur L. Brunette & Associés Inc. can contribute to your success in the competitive exporting community. We provide export consolidations on a regular basis by ocean, air, railway, highway which may include Customs brokerage in the foreign country.

INTERNATIONAL FREIGHT

Arthur L. Brunette & Associés Inc. has assembled a team of specialists to answer all of your questions. Our services can provide solutions for your shipments. Our versatile team is available to plan strategies tailored to your logistical needs.

NORTH AMERICAN TRUCKING

We also provide LTL and full truck load freight for domestic Canadian shipments and American shipments. We take care of everything, price negotiation, pick-up, Customs clearance, delivery and insurance if need be.

CONSULTING

In order for our clients to attain the highest level of compliance with government agencies, Arthur L. Brunette & Associés Inc. helps companies with divers aspects of compliance such as; HS classifications, special provision classifications, valuation, tariff treatments, free trade, marking, labelling, GST program and Special Import Measures Acts, Etc. . .

Arthur L. Brunette & Associés Inc. supplies trade bulletins so you stay aware of the latest news in Customs & Logistics.

We also offer educational training programs which can be general or specific to your industry. We meet with individual people or group in your traffic dept. for training and guidance and offer seminars and Webinars with our associates.
